PREMIER CLASS

With the arrival of the Trimaran Scallywag Fuku Bld 60, the race committee has decided to use a dual score divisional system for the Premier Class, using IRC and the NHC Performance based scoring system.

- i. Premier Monohulls Division - Scored under the IRC rating system
Moonblue 2
Bella Uno
Lawana
- ii. Premier Open Division under the NHC Performance system
All Monohulls plus Scallywag Fuku Bld 60

The Premier Monohulls will start race as normal, using the green and white class flag as specified in the sailing instructions.

Once the start line is suitably clear of Monohulls, the race committee will start a new sequence for the remaining boats using the Red/Blue "Spare" Class flag.

Both Divisions will sail the same course.

Corrected times will be based on overall elapse times from each start.
